## **IEEE Long Island Microwave Symposium**

[www.ieee.li/microwave](http://www.ieee.li/microwave)

The Long Island Microwave Symposium & Exhibits is the area's premier annual event that brings together the local the Microwave, Millimeter Wave & RF community. The symposium staff is seeking 45-minute lectures covering applicable topics including but not limited to:

- Microwave, Millimeter Wave & RF tutorials
- Novel design concepts in Microwave, Millimeter Wave & RF
- Radar, EW or Communication Systems
- Antennas and Propagation
- Circuit or EM Simulation
- Emerging trends

The proceedings will be published on the official website of the IEEE Long Island Section. IEEE LI MTT has a strict “no podium, no publish” policy. Material will only be published if a presentation is made at the Symposium.

### **Important Deadlines:**
