

**WEDNESDAY April 22, 2026**

# MICROWAVE/RF/ WIRELESS SYMPOSIUM & EXHIBITS

FREE ADMISSION ALL INVITED, MEMBERS, NON-MEMBERS - BUT REGISTRATION IS REQUIRED

**RADISSON HOTEL, 110 VANDERBILT MOTOR PKWY, HAUPPAUGE**

**10:00 AM - 8:00 PM • ARRIVE / LEAVE ANYTIME**

## LECTURE, LUNCH AND DINNER PROGRAM SCHEDULE:

10:00 AM - 12:00 PM	WORKSHOP #1 Boardroom	WORKSHOP #1 <b>Quantum Computer Interface with Microwave Amplifiers”</b> Howard Hausman President/CEO of RF Microwave Consulting Services New York
2:00 PM - 4:00 PM		WORKSHOP #2 <b>Medical Applications of MHz to Sub-THz Waves</b> Dr. Shibhan Kishen Koul Emeritus Professor CARE, IIT Delhi, India
12:00 PM - 1:00 PM	NETWORKING LUNCH (Complimentary)	
12:00 PM - 7:00 PM	EXHIBITS (GRAND BALLROOM)	
1:30 PM - 2:25 PM	LECTURE #1 Huntington Room	<b>Impact of Amplifier Additive Phase Noise on Frequency Multiplier Chain Design for SATCOM Frequency Converters</b> Joseph Merenda R&D Fellow Mini-Circuits New York
2:30 PM - 3:25 PM	LECTURE #2 Huntington Room	<b>FPGA APPLICATION In Wireless Communication Technology</b> Professor Young Soo Kim
3:00 PM – 3:45 PM	COFFEE Break (Complementary)	
3:30 PM - 4:45 PM	LECTURE #3 LECTURE Huntington Room	<b>Design and Development of Flat Panel Phased Array Antennas for Wireless and Satellite Communication Applications</b> Professor Satish Kumar Sharma, IEEE Fellow Department of Electrical and Computer Engineering San Diego State University
4:50 PM - 5:45 PM	LECTURE #4 LECTURE Huntington Room	TBD
6:00 PM - 6:10 PM	ACKNOWLEDGMENTS and CLOSING REMARKS	
6:00 - 8:00 PM	NETWORKING & Lite DINNER (Complimentary) with Cash Bar	

TECHNICAL SESSIONS

Subject to change: attendees check the Symposium webpage for the latest information.

The Ninth Annual Long Island RF/Microwave Symposium and Exhibits: New Trends is the area's premier event that brings together the Microwave, Millimeter Wave & RF community. This event is free for attendees, but you must register in advance. All Long Island Engineers, Managers, Students and Technical Professionals involved in these fields are invited. Registered attendees will receive admission to the exhibit floor, technical lectures, complimentary lunch, the networking event and complimentary dinner.
